

EOQ RECOGNITION CERTIFICATE

The EOQ herewith confirms that its
EOQ CC Agent organization from Turkey,

Turkish Standard Institute (TSE)

fulfills the requirements for registration/certification of professionals, as stipulated in the EOQ
Guideline for the recognition/re-recognition of EOQ CC Agents

TSE was initially recognized by the EOQ in 2007 and submitted to the EOQ General Secretariat a Declaration of Conformity in accordance with EN ISO/IEC 17050-1:2004, updated on 09.07.2019. TSE is accredited by the Turkish Accreditation Agency (TÜRKAK) in accordance with EN ISO/IEC 17024:2012; the accreditation is valid until 12.06.2023 being maintained by yearly surveillance audits. The scopes of the EOQ recognition are valid for the following categories of EOQ professions in: quality, environmental, occupational health and safety, food safety, information security, energy and risk management systems.

Issue Date 15.07.2019 / Prolonged on 06.01.2021 / The present certificate is valid until July 2024

Torolf Paulshus
EOQ President

Ulf Gustavsson
Secretary General of EOQ
